Anchored PowerSleeper™ SE

FIXED RESILIENT SYSTEMS

Aacer's Anchored PowerSleeperTM SE is a system that fully engages the resilient pad inside a steel channel ensuring uniform performance and increased structural stability. It is suitable for new and retrofit sports floor applications and commercial projects.

Anchored PowerSleeper™SE

Anchored PowerSleeperTM SE is an uniform and stable floor system. It is perfect for new and retro fit projects. This floor system can be shimmed for uneven substrates.

2 5/8"
