

Aacer GymCove

ACCESSORIES

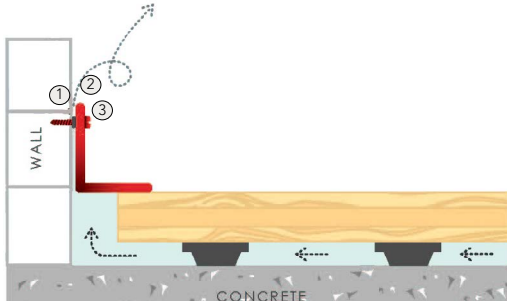

Colored vent cove base allows today's gymnasiums to be personalized beyond the court graphics. Adding a pop of color around the perimeter of the gymnasium really sets the project apart. With longer length pieces, the number of seams are reduced giving the project a continuous look.

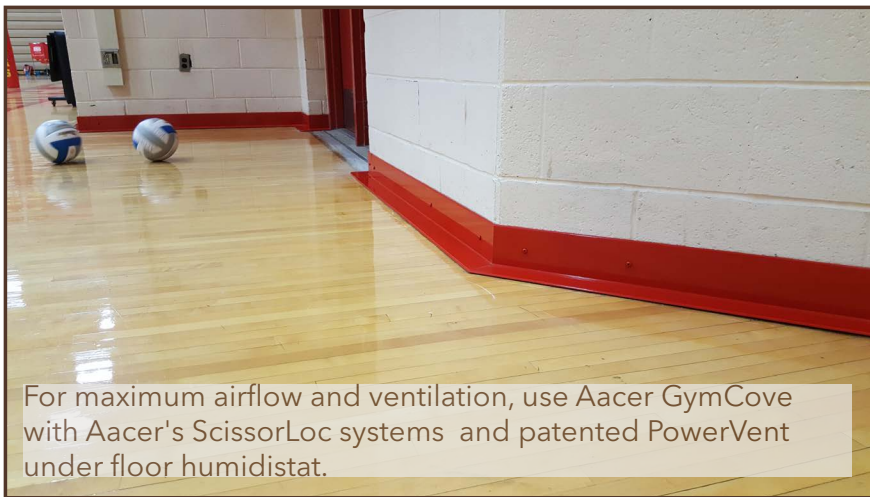

Acer GymCove

- Longer lengths reduce the number of seams and provides for a continuous look
- Mechanically fastened to the wall eliminates adhesives
- Continuous 1/8" venting gap around entire floor perimeter
- 6x the ventilation compared to standrad pre-molded vented base
- Easily removed and reattached
- Colored screwheads, touch-up paint and caulk available
- No minimums on standard or custom color orders

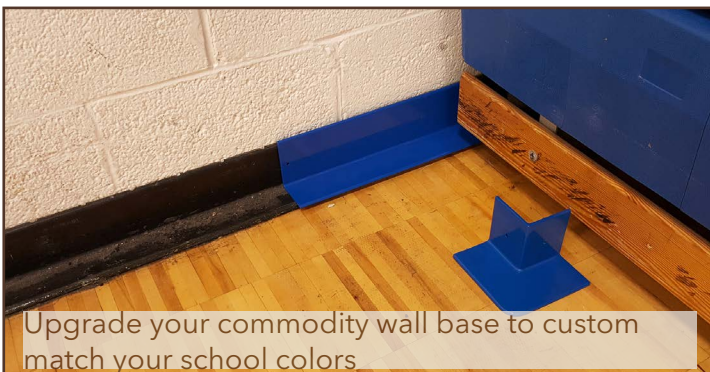

DETAIL PROFILE

1. 1/8" Ventilating Spacer
2. 1/8" Continuous Venting Gap
3. #12 Square Drive Pan Head Screws

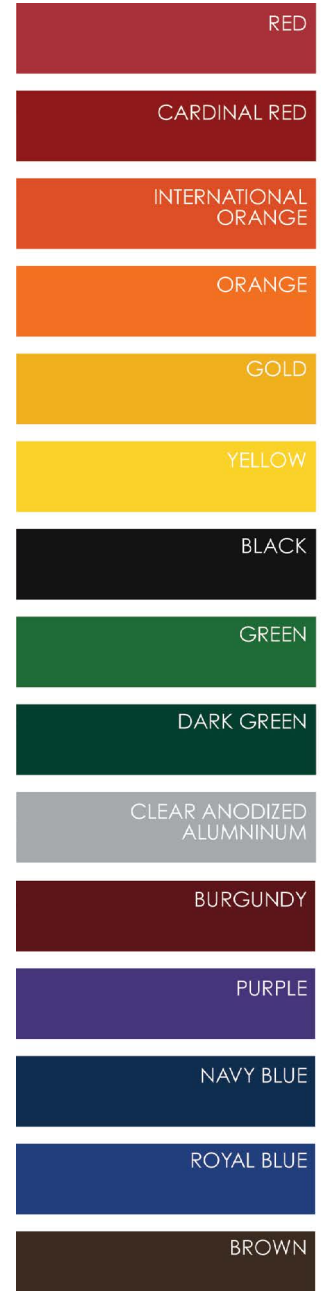

For maximum airflow and ventilation, use Acer GymCove with Acer's ScissorLoc systems and patented PowerVent under floor humidistat.
