

AACER

SPORTS FLOORING

AcousticCover™

AcoustiCover™ is a fully portable floor cover that provides the ability to transform any area into an eloquent meeting space. Large assembly areas can become revenue spaces for conferences, meetings and gatherings. The sound deadening provided by this product makes any space instantly suitable for all types of events. While providing all this, AcousticCover™ protects the investment in your existing floor.

Aacer AcoustiCover™

- Easy and quick to install and remove
- High-quality fiber and backing
- If a tile is damaged, simply replace the tile not the entire cover
- Ideal for transforming gyms into a concert venue, tradeshow, dance hall, etc.
- Cover your entire gym floor or use individual tiles as protective runners or entrance mats
- Excellent acoustic values
- The AcoustiCove Carts make it easy to transport and store the AcoustiCover tiles
