

MFMA Northern Hard Maple

MAPLE GRADES

AACER[™]
SPORTS FLOORING
an Infinity Wood Floors Company

Aacer Sports Flooring's MFMA Northern Hard Maple is distinguished from all other species and other maple by a denser grain and rich consistent color. Milled into multiple configurations like Parquet in 9 x 18" panels, Random Length or Finger Jointed in 1-1/2" or 2-1/4" widths, the availability of options like MCR Technology, Northern Hard Maple is the surface choice of athletic sporting events worldwide. Durability coupled with its fashion sense make Northern Hard Maple a must-have for your sports facility. Northern Hard Maple, it looks good in any type of design.

MFMA Northern Hard Maple

A HIGHER STANDARD

Infinity Wood Floors, a Maple Flooring Manufacturers Association (MFMA) Member Mill, is a premier manufacturer of hardwood maple flooring. Our talent, technology and raw materials combine to produce consistent, precision milled, quality flooring.

MAPLE GRADES

Infinity's hardwood flooring is graded according to industry standards set by Maple Flooring Manufacturers Association (MFMA). Complying with the grading rules ensures consistency and uniformity within each grade.

1ST GRADE

2ND & BETTER

3RD GRADE

2ND & BETTER PARQUET

SPECIFICATIONS

Maple specifications should list the required species, grade and thickness. A typical specification for your choice of maple should appear as follows:

Random Length Strip Flooring

A. Flooring shall be MFMA-RL (Random Length) Northern Hard Maple, 25/32" thick x 2-1/4" wide, Second and Better Grade; T & G and EM; grade marked and stamped as produced by an MFMA member manufacturer.

MFMA Finger Jointed Strip Flooring

B. Flooring shall be MFMA-FJ (Finger Jointed) Northern Hard Maple, 25/32" thick x 2-1/4" wide, Second and Better Grade; T & G and EM; grade marked and stamped as produced by an MFMA member manufacturer.

MFMA Parquet Flooring

C. Flooring shall be MFMA-PQ (Parquet) Northern Hard Maple, 7/16" thick, Second and Better Grade; fastened together in panels using mesh, tape or wire backing or paper facing; grade marked and stamped as produced by an MFMA member manufacturer.

MANUFACTURED EXPANSION SPACING

MCR (Moisture Compensation Ridge)

Optional "MCR" manufactured expansion spacing refers to hardwood flooring with the inclusion of a small, machined ridge included to separate flooring board side edges as shown below.

It is the policy of Infinity Wood Floors to continuously improve its line of products. Therefore, Infinity Wood Floors reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser.
