

NORTHERN HARD MAPLE

AACER™

Northern Hard Maple

Acer's prized Northern Hard Maple is distinguished from other maple by its denser grain and rich consistent color. Due to its durability and design versatility, Maple is a popular flooring selection. From traditional to trendy, Maple looks good in all settings.

Widths

FEATURES AND BENEFITS

- Superior length
- Excellent durability
- Well suited for residential and commercial use
- Consistent product due to controlled environmental mill conditions
- Great dimensional stability

1ST GRADE

Variations of white tones with little to no blemishes. Minor mineral streaking is allowed. No brown is permitted.

SECOND & BETTER

A clean floor that allows color variation between the white sapwood and brown heartwood. Sound knots up to a 1/4" diameter are acceptable as is moderate mineral streaking. Color variation will vary upon production.

RUSTIC

Allows prominent natural variation in color, various imperfections and obvious character marks. Open knots up to 1" diameter that do not go through the board are permitted.

MATERIAL WARRANTY

Aacer Flooring warrants that the products have been manufactured in compliance with the grading rules of Aacer Flooring, and will be free from manufacturing defects, which are limited to improper milling or improper drying only. Manufacturing defects do not include natural wood characteristics such as mineral streaks, knots, grain variations, and normal minor differences between color samples and the color of installed floors. These are normal characteristics and are not defects.
