

**INFINITY**  
Wood Floors

## LEED CONTRIBUTIONS:

Infinity Wood Floors has the highest regard for the health of our forests. We practice responsible forest management and support green-minded suppliers.

Our MFMA flooring and Aacer Sport Flooring sub-floor systems are LEED Credit Contributors to:

### **FSC® Certified Maple – MR**

Infinity Wood Floors is a FSC-Certified Mill. Chain-of-Custody certificates are available upon request. Products available are:

- SmartWood certified flooring
- FSC certified plywood
- FSC dimensional lumber

### **FSC® Certified Subfloor Components – MR**

Some Aacer Sport Flooring subfloors systems are comprised of recycled steel and rubber products that may apply.

### **Environmental Quality – EQ**

Aacer Sport Flooring subfloors and Infinity Wood Floors hardwood are manufactured without urea-formaldehyde or other irritants.

### **Regional Materials – MR**

Materials or products that have been extracted harvested, recovered or manufactured within 500 miles of the project site.
