

MP Turf

SYNTHETIC SURFACES

Designed specifically for indoor and outdoor fields, MP Turf features a polyethylene turf surface that is field-united to a 10-12mm vulcanized composition rubber shockpad. MP Turf provides a safe playing field that mitigates the force of impacts on the athlete's body.

INFINITY
Wood Floors

MP Turf

MP Turf is an indoor/outdoor recreational field turf that simulates natural grass.

1. 32mm Pile Height Polyethylene Surface Layer

2. 10 or 12mm Monster Shockpad
